Community Sponsorship Guide

# Can you 'LEND A HAND' to support the Boys & Girls Club of Redding-Easton?

Today's kids are navigating complicated issues. They are struggling to recover academically from a global pandemic that derailed their education, constantly exposed to pressures from social media, dealing with systemic barriers and immediate needs of current economic struggles while reporting increases in anxiety, depression and suicidal ideation. Your support makes a difference in the lives of our children by providing them a safe place to develop real connections with peers and trusted mentors.

Thank you! Meredith Schuchard, Executive Director
